Paw Patrol: Dino Movie (G)	The PAW Patrol pups crash land on an uncharted tropical island filled with dinosaurs after their ship gets caught in a mysterious storm. They meet Rex, a pup who has been stranded on the island for years and has become an expert in all things dino-related. When the Patrol's archrival, Mayor Humdinger, begins recklessly mining in hopes of exploiting the island for its natural resources, he inadvertently causes a huge, dormant volcano to erupt. The pups are thrown into a series of high-stakes, dino-sized rescues bigger than anything they've done before, as they must stop Humdinger before everything on the island goes extinct.
Insidious: The Bleeding Word (M)	A trio of stalkers infiltrate a quiet suburb and force a new family into the astral plane, where they uncover a terrifying truth: the Further is bleeding into the real world.
The Dog Stars (MA15+)	After the world's population has been ravaged by a pandemic, a man lives a lonesome existence in a Colorado airplane hangar with his dog and a dour gunman he has befriended. When a mysterious transmission comes through on the radio while he's flying his old Cessna, it sparks a hunt for the provenance of the sound.
Super Troopers 3 (MA15+)	When Farva's wildly over-the-top Indian engagement to Thorny's sister spirals into chaos, the Super Troopers must navigate Thorny's schemes to break up the relationship, while trying to crack a pernicious new drug ring – all to save the day and maybe the wedding itself.
